

CHILDREN ARE GIFTS OF THE WORLD

Lyrics: Ljubivoje Rsumovic

There's no world nor even planet
Which the children cannot have it
Cause the children's paths are kingdom
From the games to freedom

Flowers are garden's colors
And flowers are butterfly's
And children full of dreams
Children are gifts of the worlds

Lovely songs and quiet secret
All the children's loves are brilliant
Let them flare up, let them become
From the games to freedom
