

WINTER, WINTER - WELL, WHAT IS IT?

Lyrics: Jovan Jovanovic Zmaj

Winter, winter - well, what is it,
if it's winter, a lion it's not!
Winter, winter - then so be it,
if you're healthy worry not.

What can winter do to me,
what it can, does it dare?
Let my nose turn red like flame,
And that is it, I don't care.
